Maybe we can cut out the middleman who will refer you to my documents and blogs (and then try to charge me for doing so)?

Attached is the CRS report on the bill (see pages 3-6 for discussion of changes to CVPIA). Happy to answer follow up questions.

Dear LGA:

Yes. We can offer you a redline of the new amendments, an NRDC Fact Sheet, a huge number of accompanying documents like testimony, letters, etc; a Committee analysis by the Dems on Water & Power Sub, etc. What flavor do you need?

Yours in assisting the public servants,

Has anyone done a good summary of what this bill actually does? I went through it, but it was hard to see what the CVPIA would literally say after the amendment?

Any guidance would be helpful.
